# Who We Are

## The Company

We at initor global, are specialists in the area of industry-specific tax, accounting and payroll services. Our demonstrated capabilities in organizing and transforming business processes and operation, our domain expertise and our impeccable services have seen us fast emerge as industry leaders in the financial processes outsourcing space.

From its operational and delivery centre in Ahmedabad, India, Initor collaborates with a growing group of global clientele spread across the USA, United Kingdom, Australia and the Middle East countries.

We Leverage upon a vast talent pool of expert accounting professionals and top-notch finance experts to offer a comprehensive range of financial and accounting services that include general ledger accounting, payroll, financial analysis, bank reconciliations and preparations of financial statements. Our Innovative approach, backed by our technological competence is designed at modernizing the finance and accounting processes of our clients to ensure effective operations with requisite compliance and controls. Deploying the most sophisticated software, hardware and dedicated servers, we provide your financial data with a high measure of data security and confidentiality.

Initor's robust and custom services, tailor-made to suit the specific needs of clients, are geared at providing cost effective and structured solutions for book keeping, management, accounts and tax returns, all while letting clients focus on their core competencies and business revenues.

Our persistent focus on engaging and nurturing clients ensures that a great part of our business revenues come from repeat clients. At Initor we believe that our partnerships with our clients are not just about synergy and bonding between the heads of our respective companies. They are more about integrating our organization with your organization. This means involving people and being involved with people down the line in both our organizations. That is the key to successful business alliances.

In our march towards excellence, the key differentiator remains our high integrity levels and multi-cultural mindset.

## Why Choose Us

Our highly skilled staffs have a wealth of experience in both payroll & accounts; we offer professional service with a personal touch. At the heart of our efficiency are three primary priorities:

- Dependable to offer you rapid assistance when you need it most, no matter what eventuality occurs.
- Supportive in every aspect, from handling administration to adapting tailored solutions for you.
- Knowledgeable and experienced, understanding the urgency of the deadline and up-to-date with legislative changes.

We also make sure that you can access your data round the clock without any hassles to keep you on top of your finances, Your data remains safe and secure with us. we have taken special measures to safeguard your data against leakage, theft or loss by destruction.
